TABLES AND FIGURES

Include tables and figures as appropriate within the document text or the page immediately following their first reference. Tables and figures that do not meet the specifications will not be

included in the proceedings. They will be removed from the paper and replaced with a footnote indicating availability from author.

PAPER SUBMISSION METHODS

All papers for the proceedings must be submitted on or before August 31st, 2014 by sending them as an attachment to the publication coordinator, Dr. Christine Mathenge, mathengec@apsu.edu. Attachments must be word documents using Microsoft Word (or translatable) software, preferably in PC format. This will ease technical editing and allow for a uniform appearance for all published documents. **We will not accept paper copies.**

Disclaimer:

Publication coordinator has the discretion to reject a paper based on subject, quality and **length**.
